Hi Audrey,

Can you pull the file below? I also am returning two files: City of Sitka and JBLM. They're at your desk. Thanks!

Subject: Grand Coulee Hydroelectric Facility NPDES Permit Application

Hi Susan and Jenny,

We did get the application from Grand Coulee and it went in to ICIS on October of 2017. So it is a pending permit. I would assume we would want to do this with the other WA federal hydro facilities. I don't have a copy of the application. But Audrey could pull the file. Below is the permit id number.

WA0026867	COULEE DAM ELECTRIC FACILITY	HYDRO-	JR 10/16/17
